Application for All Saints Catholic School Enrollment

(Updated June 2018)

Receiving a Catholic School education is always a privilege and should not be thought of as a right. The single most important reason to have Catholic schools is to assist parents in the fulfillment of their responsibility as the first teachers of their children's Catholic Christian faith. Therefore, all families that will be a part of All Saints Catholic School will be expected to live and exemplify our faith as it is taught and professed by the Church.

The following items will be required of all Catholic families seeking admission into All Saints Catholic School. By Catholic families means one or both of the parents are Catholic.

1. To reside inside the boundaries of All Saints parish. Proof of residency in the form of a utility bill, etc. must be provided. Exceptions to this requirement can only be made by the pastor/principal.
2. To be registered in All Saints parish at least one year. Exceptions to this requirement can only be made by the pastor/principal.
3. Parents that have not been registered in All Saints for at least a year will be required to make financial arrangements with the pastor for the first year of their child's education.
4. When one or both parents are Catholic they should be married in the Church. Parents that are cohabitating or married out of the Church may not be allowed to enroll children until they have formally* begun the process of seeking validations of their marriages or have formally* begun the preparations for getting married in the Church. (**Formally beginning this process means meeting with the Pastor to determine what action needs to be taken to resolve these situations that are inconsistent with Catholic Teachings.)*
   PLEASE NOTE: If parents are separated or divorced or in the process of doing so they must notify the principal and pastor right away. This is also important for the church and school office to have the most recent contact information as changes at home may be occurring in the life of our students.
5. Annually complete, sign and return their Time and Talent pledges.
6. Annually complete, sign and return their Treasure pledges.
7. The fulfillment of their pledges for the previous year.
8. Faithfully attend Mass on Sundays and Holy Days at All Saints Parish.
9. The annual completion of the "Parish Family Agreement" document.
10. All required documents such as birth certificates, baptismal certificates, immunization records of incoming students, etc., must be turned into the school office by enrollment day for the upcoming year.
11. All financial requirements such as school fees, latchkey and lunch fees must be paid in full by stated deadlines.

I have read & understand the above enrollment requirements. I also understand completion of this application **does not** guarantee admission into All Saints Catholic School**.**
