

December 2011

Thank you for being a part of the Greeter Ministry. It will be good to see your warm and smiling faces at the door of the Church.

Being a greeter is a simple but very important ministry. You represent the parish and for new-comers, may be the first friendly face upon their arrival. New Greeters, be sure to read the **Guidelines for Greeters** carefully. You will need to arrive a half-hour before Mass and will greet for the dates listed below. Some months there may be 5 or more people assigned because of families, approx. 3 for the Gathering Area and the other 2 at the south doors. **Families with children assigned, please monitor your children and be respectful of the other people assigned on your Sunday.**

If you have questions, concerns or comments, please call the rectory, 682-1415.
