

POWER LUNCH IS HERE!

How does it work?

We send home a menu with the youngest child in the family. (The menu is also on the All Saints website, www.allsaintswichita.com, and will be available **ONLY on the website beginning** in January.)

You send lunch money to school with your student(s) in an envelope with their name on it.

You may pay for the entire month, send a larger amount, or send whatever amount you wish. You may also send money at any time.

We will deposit it into your PowerSchool Lunch account.

As the students go through the lunch line the Barcode ID Number that had been assigned to them will be scanned and their lunch balance will be reduced automatically according to the type of transaction made.

You can check your lunch balance on PowerSchool and send more lunch money when needed. PowerSchool will send you a low balance notice. When you log into your PowerSchool account you can go to "Email Notifications" and checkmark "Balance Alert" to receive alerts by email. **It is important that each child has a balance in their lunch account in case they forget their lunch and need to have school lunch.**

If you fail to keep money in your account, we will send a reminder, but the same rule applies-no lunch money – only a sandwich and water will be served at a charge to you.

Lunch Prices:

Student Lunch/Salad	\$2.35	Adults	\$3.05
Reduced Price Lunch/Salad	.40		
Milk	.35		

December Lunches: 13 days @ \$2.35 per day = \$30.55
Reduced Price Meals = \$ 5.20
