*All Saints Catholic School with the guidance of the Church, and the support of parents and parish, forms students into Disciples of Christ who are academically and spiritually prepared to live as faithful stewards in a diverse world.*

Dear All Saints Catholic School Families,

Welcome back! We are excited to get the new year started and together, create a year of excellence for all students. We are looking forward to a productive partnership to ensure all students achieve their highest potential as students and Catholics.

As partners, we share the responsibility for student success and we will do our best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads and prays daily to develop a love for reading and our faith
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject
- 6) Knows that you expect him/her to succeed in school

Through hard work, effective teaching, and a strong school-community partnership, we will reach our goal to provide a quality Catholic education that meets the needs of all of our students at All Saints Catholic School.

Thank you for your continued commitment and dedication to your child's Catholic education at All Saints Catholic School.

In Christ,  
Mrs. Frederiksen
