

SEPTEMBER 2021 NEWSLETTER

All Saints Catholic School with the guidance of the Church, and the support of parents and parish, forms students into Disciples of Christ who are academically and spiritually prepared to live as faithful stewards in a diverse world.

Dear All Saints Families,

We are off to a great start to the new year and I would like to extend a very special welcome to our new students and families.

I appreciate everyone working so hard to keep our kids healthy and in school. Remember if your child is not feeling well please keep them home. A chart with Covid quarantine guidelines was sent home; please use these as a reference to know what to do. Please do not send your kids to school and risk exposing others and forcing us to quarantine students and or staff. If you are not sure, please contact the office for guidance. If your child is exposed, you will be notified of any quarantine guidelines they must follow.

We do our best to communicate with families but please take time to also visit our website www.allsaintswichita.com on a regular basis and follow us on FACEBOOK.(CDOW All Saints Catholic School, Wichita, KS) and Twitter (@ASCS_Courgars). The school's website will provide you a direct link to All Saints School and Parish Activities, Monthly Newsletters, Lunch Menus, Staff and Teacher directories as well as links to classroom teacher newsletters. In addition, make sure we have your correct e-mail and phone numbers on file in the All Saints office and in PowerSchool as we often send out reminders of weekly activities through School Messenger. We appreciate everyone's patience with the new drop-off and pick-up procedures. Our number one goal is to keep our students and staff safe so it is imperative that you follow the correct procedures.

All Saints Catholic School has a proud tradition of integrating faith and knowledge. It is a priority at all grade levels to have excellent communication with parents. We offer a strong emphasis on serving the diverse needs of our students, including "English Speakers of other Languages" (ESOL) for children who benefit from additional learning challenges. Another priority is that all students feel safe at school, physically and emotionally.

I would like to extend a huge thank you to PTO for providing back to school treats and helping our teachers with some back to school money to spend on their classrooms. I encourage you to get involved and be an active member of PTO. This is a great opportunity to earn Care and Share Hours and share your talents for our school.

Again, welcome to All Saints Catholic School for 2020-2021 school year! I look forward to working with each of you and appreciate your willingness to share your children with us at All Saints. If there is ever anything I can do to help you or your children, please don't hesitate to contact me. I can be reached by phone (682-6021) by email: jfrederiksen@allsaintswichita.com or you are welcome to schedule a meeting to meet with me at the school office.

I look forward to visiting with you when you are in the building!

In Christ,
Mrs. Frederiksen
